Bureau of Unclaimed Property
P.O.Box 1837
Harrisburg, PA 17105 - 1837
1(800)222-2046

I have some good news: You may be entitled to money from the Pennsylvania Treasury Department's Bureau of Unclaimed Property – and we want to help you claim what's yours!

The Pennsylvania Treasury Department is currently working to return more than $5 billion worth of unclaimed property. It belongs to about 1 in 10 Pennsylvanians, and the average return is worth about $1,000.

It's easy for property to become unclaimed – it happens all the time! Unclaimed property includes things like abandoned bank accounts, forgotten stocks, uncashed checks, certificates of deposit, life insurance policies, safe deposit box contents, and even recovered stolen property.

Maybe you moved, and your bank or insurance company was unable to locate you. Perhaps you forgot to cash an old rebate check. **Whatever the case, your money belongs in your wallet!**

You can learn more about unclaimed property on the Pennsylvania Treasury Department's official website: http://www.patreasury.gov/unclaimed-property If you have any questions, reach out to my unclaimed property team at TUPMail@patreasury.gov or 800-222-2046.

To receive any unclaimed property owed to you, please complete the included claim form(s). Follow these steps and then return the form(s) to the Pennsylvania Treasury Department:

- Each owner listed in Box A of the Property Description page must sign the enclosed forms. If an owner or beneficiary is deceased, include a certified copy of the death certificate.
- If the name of the owner listed in Box A of the Property Description page has changed, provide documentation of the name change. Examples of acceptable proof of name change include: marriage license, driver's license, or official court document confirming the name change. Copies are accepted.
- If you are in possession of the original property that is listed in Box F of the Property Description page, such as an uncashed check or stock certificate, please return it along with your form(s).
- If you have a legal representative, such as an attorney, power of attorney, trustee or guardian, provide documentation authorizing the representative to act on your behalf and to receive information regarding the claim.
- The custodian must complete and sign the enclosed form(s). If the custodian of the account is deceased, the parent or guardian of the minor must determine who may claim the property. A certified copy of the death certificate for the custodian must be provided.
- If an address is listed in Box B of the Property Description section, provide proof of residing at that reported address. Examples of acceptable proof of the reported address include: utility bill, pay stub, bank statement, or any other document confirming the reported address. Copies are accepted.
- The claim value exceeds $5,000, the Claim Form requires notarization. Please include a copy of your current driver's license, or a signed government-issued ID.

NOTE: Additional documentation may be requested to prove you are the rightful owner.

If you received a PDF claim form, complete the form electronically, save the form, and upload your completed claim form here: https://unclaimedproperty.patreasury.gov/en/Claim/ClaimStatus.

Or email documents to TUPMail@patreasury.gov. If neither of the options above are preferred, claim forms and supporting documentation can also be mailed to the Bureau of Unclaimed Property

The Bureau of Unclaimed Property does not require original documents.

If an original document is required for bearer-type property ONLY, this is listed on our website.

Sincerely,

Stacy Garrity
Pennsylvania Treasurer
